For this task, I chose a theme for mountains as I love to go on hikes with my mates. We've hiked up many mountains and trails in Victoria like [Mount Riddell](#) and the [Cathedral Ranges](#)

Although I didn't take this photo, this image shows a strong resemblance to what the view from atop the [Cathedral Ranges](#) would look like

Here's the image of the snowy mountain if you'd like to access it: [Snowy Mountain Image](#)
